

American Dante Bibliography for 2022

Compiled by Martha Culshaw and Eva Plesnik

This bibliography is intended to include all publications relating to Dante (books, articles, translations, reviews) published in North America in 2022, including reviews published in North American journals of books published elsewhere.

The following entries are also included in the comprehensive Bibliografia Dantesca Internazionale/International Dante Bibliography database, maintained by the Società Dantesca Italiana with the collaboration of the Dante Society of America since 2017; see: <http://dantesca.ntc.it/dnt-fo-catalog/pages/material-search.jsf>.

The Bibliographical Committee of the Dante Society of America (S Díaz, J. Van Peteghem, A. Wainwright) supervised the American Dante Bibliography for 2022. We are grateful to the Centre for Medieval Studies, University of Toronto, for its generous support of this year's bibliography. Please send notices of any corrections or omissions to dantesociety@gmail.com.
